## A living room cabinet that can store things and looks good

This is often steered by location and type of cabinet. In a kitchen or dining room, they are more often used to store items that are useful, such as crockery, cookery books, water carafes and so on. In a living room, ...

In the sitting room of Christian Bense's flat, the anchor piece came from a traditionally-inspired cabinet that Christian had made bespoke for WOW!House, which features floral paintings by decorative artist Tess Newall and now hides his television. "Although this is a new piece, it doesn't jar with the old bones of the flat," he explains. Next came a little vintage ...
