

Can custom lockers be fixed

When you choose a custom locker solution by Premier Lockers the potential is endless and your locker storage solution truly can be anything you want it to be. Obviously the size and dimensions will be customised to precisely what you want and need them to be, but you'll also have the freedom to mix and match all other design features.

Lockers come in a spectrum of colors, or you can DIY paint or stencil your own custom creation. The locker shape and size can also vary, from tall and skinny to short and wide or rounded. And you can get creative with the locker layout - a vertical column, stacked horizontally or even hung saloon-doors style.

If you cannot find what you are looking for in our standard range, you can contact us for custom lockers with specific dimensions, colours or printed designs of your choice. Contact us today for an obligation-free quote if you want to know about our Architects and Interior Designer Lockers--Call 0128 523 8954 to talk to our experts.
