

Can you put backpacks in supermarket lockers

How do you get a bag back in a supermarket?

There might be some lockers and a guard in front of the supermarket. You have to give your bag to the guard and they will put it into a locker, lock it and give the key to you. You then just go into the supermarket barehanded. When you get out the the supermarket, you give the key to the guard and he gives the bag back to you.

Do you carry a bag at a target or Walmart?

Never at a target or Walmart. Although sometimes, I can tell I'm being followed in a target. Grocery stores have baskets you can carry and put things in. When you pay, either put the bags in your backpack or request no bags.

What is the difference between a locker-room and a bag check?

"Locker-room" has a different connotation (usually where athletes change their clothes and perhaps shower). If there actually is an attendant it might be a "bag check" (like a "coat check").

Can you leave a backpack at a gas station?

At my gas station they don't allow backpacks because of shoplifting, I'm supposed to ask people to leave it by the door or I can set it behind the counter with me until they are done. You should be fine, if someone complains just apologize and offer for them to look in your bag.

Is it easier to shoplift with a backpack or a purse?

And almost every single woman has a purse/hand bag on her. Honestly they'd probably be easier to shoplift with than a backpack, since you'd have to remove said backpack from your back, put stolen goods in there, put it back on (unless you're just holding it), while the hand bag is right there in your hand.

Is it illegal to use a bag instead of a basket?

No it's not illegal and you're doing nothing wrong. If someone challenge me why I do use bag instead of basket while I shop, I would dump it on to the floor and leave. Never coming back I do the same every time at sainsbury, never had an issue.

Adjustable shelves, hanging organizers, or over-the-door hooks can handle all sizes of backpacks. Put the ones you use most often at eye level, and less-used ones higher up.
