

# Isn't there storage space under the high box bed

What are the best bedroom storage solutions?

**Edgemont Ottoman Wooden Bed Frame** One of our favourite bedroom storage solutions is the ottoman bed. Available in all sizes, these beds are designed with simple built-in storage and are an especially popular choice for master bedrooms. That said, a smaller single ottoman bed is a great space saver for guest bedrooms and children's rooms.

Should you store a bed inside or outside?

The storage inside the bed is also more accessible for most people because it's possible to reach in and grab what you're after from two sides of the bed. Some beds, like the Anya wooden ottoman bed, even offer three open sides, making reaching in easier for shorter people.

What can you store under a slatted bed?

The unique hydraulic mattress platform with lifting function provides ample storage space under the bed for you to access in no time. You can store blankets, pillows, bed linen or toys in the large storage box under the fold-up slatted frame. The bed is ideal if you only have limited space for closets in the room.

Where should you store your storage space?

When every centimetre counts, one must look for storage space in the unlikeliest of places. We're talking over door frames, between cabinets, inside sofas, or, as this feature will go on to show you, the dead space that you'll find under the bed.

Do you need a dust bunny storage box?

Where some see dust bunnies, we spy potential. All you need - once you've given the space a thorough vacuum - is the right storage boxes. There are slim designs made to slot neatly under your bed so that you're not dumping stuff straight on the floor for more dust to collect on later.

What to do with under bed boxes?

An under bed box doesn't have to be boring plastic either. There are lovely zippered fabric boxes and bags out there and colourful hat boxes make a stylish alternative to grey rectangles. Repurposing flat pack furniture or vintage drawers is also a smart idea.
