

Longi photovoltaic panel warranty period

Does Longi Green Energy Technology offer a warranty for solar modules?

Limited Warranty for Solar Modules LONGi Green Energy Technology Co., Ltd and its direct owned or indirect owned subsidiaries are committed to the following quality performance warranty for solar modules (hereinafter referred to as "modules").

What is the warranty start date of solar modules?

The warranty start date of the Solar Modules stipulated under this Limited Warranty for Solar Modules (hereinafter referred to as "Limited Warranty") is the date of delivery to the Initial Customer or 6 months after the modules are shipped out of the production plant, whichever is earlier (hereinafter referred to "Warranty Start Date").

What if there is a dispute relating to the limited warranty?

Applicable Law and Dispute Resolution Any dispute relating to this "Limited Warranty", including but not limited to, disputes relating to the survival, validity, breach or termination of the "Limited Warranty", shall be resolved in accordance with the governing law and jurisdiction written in the Solar Module supply contract.

Can a limited warranty be transferred?

The rights of this "Limited Warranty" shall only be transferred if above mentioned requirements are fully met, otherwise such transfer shall not be binding upon the Supplier, and the Supplier has the right to refuse to process the relevant demand for claims without any liability.

What happens if a section or clause of this limited warranty is invalid?

If a certain section or clause of this "Limited Warranty" itself or its applicability to certain people or certain situation is deemed invalid, ineffective or unable to be implemented, this does not affect the validity of any other sections or clauses of this warranty.
