

# New Energy Storage Funds

Who owns Gresham House Energy Storage fund?

US Investment firm Searchlight Capital agreed a £469.8 million deal - in July last year - to acquire Gresham House, the UK asset manager which has a portfolio that includes Gresham House Energy Storage Fund's utility-scale energy storage systems.

How much government funding has been given to energy storage projects?

This was published under the 2022 to 2024 Sunak Conservative government. Over £32 million government funding has been awarded to UK projects developing cutting-edge innovative energy storage technologies that can help increase the resilience of the UK's electricity grid while also maximising value for money.

What is energy storage funding & why is it important?

The funding announced today is a key step towards supporting the development and commercialisation of innovative energy storage technologies, in turn supporting the UK's transition to relying on renewables, while also encouraging private investment and new green jobs.

Which energy storage projects are receiving funding today?

The energy storage projects receiving funding today include: Sunamp's EXTEND project, East Lothian, Scotland - will receive £149,893 for a feasibility study to further develop the storage duration of their thermal batteries.

Why is the bank investing in energy storage?

The investment strongly aligns with the Bank's net zero mandate, helping to provide the energy storage necessary to support the rapid scale up of renewables, as set out in the British Energy Security Strategy. National Grid forecast that up to 29 GW of storage could be needed by 2030 and up to 51 GW by 2050 - up from around 5 GW today.

Which UK Infrastructure Bank has invested £75 million?

The Bank will invest £75 million on a match funding basis into the Gresham House Secure Income Renewable Energy & Storage LP (SIRES) alongside a £65 million investment from Centrica. UK Infrastructure Bank has committed to invest £125 million on a match-funding basis into Equitix UK Electricity Storage Fund.
