

Price of Trina photovoltaic panels

The Honey Series was Trina's most popular solar panel in Australia striking a balance between efficiency and quality along with an affordable price. Available with both monocrystalline and multicrystalline cells, ...

Trina solar panel price is slightly lower than the average on the solar market. We offer highly rated yet affordable Trina solar panels that range in price from \$160 to \$230. If you plan to purchase a Trina home solar kit, the price for it is going to be lower than buying each part of a system separately.

Rated above 270W per panel at the same size as many 250W panels, Trina Honey panels are a great way to maximise power output from the same roof surface area. Equally as important is cost. Trina's Honey Mono Panels deliver the highest efficiencies and world-record setting power output at excellent value prices. Trina 10-year workmanship warranty
