

Connecting a billion people with calls, chats, and more. WeChat is more than a messaging and social media app - it is a lifestyle for one billion users across the world. Chat and make calls with friends, read news and use local services in Official Accounts and Mini Programs, and much more. The app needs admin permission to be launched properly.

In 2020, China's powerful media regulator, the National Radio and Television Administration (NRTA), began formally including short dramas -- which it defined as programs with episodes of less than 10 minutes -- under its supervision. This year, 2023, is believed to be the first hugely profitable year for micro-dramas in the Chinese market.
