

Shoe-changing bench can store electricity

How do shoe storage benches work?

Some shoe storage benches feature open shelving, while others offer more subtle storage options, such as drawers or cabinet doors. These design features can simultaneously conceal shoes and provide space to stow other everyday items like hats, purses, reusable grocery bags, and even books.

How much does a shoe storage bench cost?

Get the IRONCK Shoe Storage Bench on Amazon for \$109. What this bench lacks in design thrills, it makes up for in the amount of shoes it can hold. With 15 different cubbies, users noted the ability to store even most sizes of large men's shoes in the little cubbies when inserted on their side, like in a shoebox.

What is the best shoe storage bench?

Our best overall pick for a shoe storage bench is the Vasagle Shoe Bench, which has a moderate price point and 10 cubbies of varying sizes to fit all types of shoes. In our testing, it felt durable and high-quality, making it a great option for housing your footwear.

Can a shoe storage bench be used indoors?

Many shoe storage benches are better suited for indoor environments because of their material (typically wood, engineered wood, or fabric, for example), but you can indeed find general storage bench options made of plastic, resin, or metal that can stand up to the elements and double as a functional home for your footwear.

What is a shoe storage bench made of?

The gorgeous frame is crafted from solid acacia, with wood knots and natural grain details. The bench includes a slatted lower shelf that can accommodate three pairs of shoes. This shoe storage bench works well in larger entryways and features an angled rack with a crossbar to prevent shoes from sliding off.

Where should I put a shoe storage bench?

For instance, if you put on and take off shoes by your front door, that will be the best location to add a new storage bench. The same theory applies to your garage, back porch or playrooms. Find the best shoe storage benches for any room in your house in the links below, and never lose a loafer again.
