

Trinity Solar Power Generation Glass

I did some googling and solar companies have tons of "FAQ" pages. That right there concerns me. These are the companies who directly benefit from people leasing or doing PPAs. The only way to really save money is thru buying your solar set up up front or thru a solar loan. You could end up paying more over the course of the 20+ years if you lease.

Under the corporate PPA, Sun Trinity will supply AGC Techno Glass" Headquarters and Shizuoka Plant with renewable energy having additionality (Note 2) generated by Sun Trinity's new solar power plant in Shizuoka Prefecture (with a generating capacity of approximately 2 megawatts) for the next 20 years; the amount of electricity to be supplied ...
