

What can be placed in the sofa storage cabinet

How do you store a couch in a room?

Add some baskets or a floor lamp to maintain order. If the couch is by the entrance, the bench can serve as a place to sit or store things. If you're short on storage space or love books, a shelf behind the sofa is a great solution.

What to put behind a couch?

Decorating behind a couch can add a layer of depth and interest to a room. But don't limit yourself to just a standard sofa table! Here are ways to make use of some extra space with 10 beautiful ideas for what to put behind a couch. Let's talk about sofas! Or rather, the backs of sofas.

Can you put shelves behind a couch?

Installing shelves on the wall behind the couch is a fantastic way to make use of the available space and provide a support for some decoration. It is also a very cool idea for something like books because you can easily reach them on the lower shelves while lounging on the couch itself. via decoholic.

What can be stored behind a sofa?

Even a thin space of around 15 to 20 cm behind a sofa can be used to store phones, books, and cups of tea. There are some great hacks out there that allow you to turn pieces of furniture into pull out and hidden behind-the-sofa storage options.

What to put behind a sofa in a small room?

Moving the sofa away from the wall is a modern and daring option, and a sideboard can help define the interior and exterior spaces of the house. A tree-like lamp adds to the ambiance in this case. Do you have ideas for what to put behind a sofa in the middle of a small room? Try a sideboard! It not only adds decoration but also saves space.

What is the best way to store furniture in a room?

A tall, towering storage unit behind a sofa or a chair can really set a dramatic tone for an entire living space. Putting a room furniture item in front of a bookcase works the best for small rooms and weirdly shaped spaces.
