

What is the name of the locker that can be sat in kindergarten

Are school lockers a good idea?

Lockers are a perfect solution to this problem. There are many other benefits to providing your primary school or secondary school with long lasting lockers too: They can provide space for staff to keep their belongings secure during the school day, away from reach of children.

What are the different types of school lockers?

These are both great options for primary and secondary school lockers, with the students simply needing either a key or a padlock. Master keys can also be provided for cam locks should students lose their keys. Other options include combination locks, digital locks and more.

What are the best options for school lockers?

A particularly popular option with school lockers are sloping tops. These are designed to stop any items from being placed on top of the lockers, keeping the area tidy and clutter free. Stands can be provided to lift the lockers from the ground, and seat stands can be a helpful addition to lockers within changing rooms.

Do you need a stand for your school lockers?

Stands can be provided to lift the lockers from the ground, and seat stands can be a helpful addition to lockers within changing rooms. For more information on our primary and secondary school lockers, or to talk to a member of our experienced team, call us on 01284727626 or [click here](#) and fill out our contact form.

What is a good door frame for a school locker?

The standard choice for school lockers is usually metal. Our metal locker door frames have added strength and security and can be manufactured from mild steel or zinc-plated metal. If your lockers are in high-traffic areas and likely to be bumped, scratched or caught, a laminate door provides a more heavy-duty option. What's the budget?

What colours do Helmsman's school lockers come in?

Helmsman's school lockers come in a variety of colours and finishes. Our metal lockers can be powder coated in a range of colours, from the classic Royale blue to Pumpkin orange or Blush pink. We also have a selection of brilliant laminate suppliers, meaning we can offer bright pops of colour, wood effect laminates, and even carbon neutral options.
